Custom Abbreviations Library Changes

if you are using a Custom Abbreviations library there are a few files that need to manually be moved to keep your modifications. These files are in different places depending on your version of windows. After you have installed 4v08 locate and move the following files.

Windows XP

Source Folder:

C:\Program Files\GEOstrip 4v07\Abbrev

Files to move:

AbbrevCustom.dat

AbbrevCustom.idx

Destination Folder:

C:\Documents and Settings\All Users\Application Data\GRS

Windows Vista, 7, 8

Source Folder:

C:\Program Files (x86)\GEOstrip 4v07\Abbrev

Files to move:

AbbrevCustom.dat

AbbrevCustom.idx

Destination Folder:

C:\ProgramData\GRS\Abbrev
