

## Grant Prideco Patents

We are marking the products or services specifically listed below pursuant to 35 U.S.C. § 287(a) by associating each identified product or service (which may be sold individually or as part of a combined offering) as covered by or for use under one or more patents. Please note that in most cases, each U.S. patent also has various international counterpart patents, providing patent coverage in a number of additional countries around the world. This list was last revised on 02 DEC 2020.
