

Case History

Arizona QuikTrip Store

CH8019

Location

Tucson, Arizona

Client

QuikTrip Corporation

Product

Dualoy™ 3000/L

Application

This is an 8 dispenser site that used 1600 feet total of 3"-over-2" Dualoy 3000/L for the product and vent piping. QT® likes the extended pipe lengths of Dualoy because there are no couplings between dispenser sumps. The installation was performed by Cochise Constructors.

Features & Benefits

The use of an all fiberglass system affords owner and installing contractor alike the peace of mind only fiberglass can deliver with over 40 years of service to the industry. Additionally, the owner enjoys operational cost savings due to the superior flow characteristics of fiberglass piping and QT's customers benefit from faster fill-up times.
