

Guardian

Helping you deliver protected pipe. All day, every day.

At MSI Pipe Protection Technologies, we are committed to offering only the best in high-quality pipe protection products so when it comes to drill pipe, we have you covered. Our Guardian™ protectors cover a wide range of critical protection points keeping your threaded connections safe against all areas of possible damage. Because your needs are entirely individual to your operation, MSI's Guardian is offered in several different options.

- Light-Duty
- Extra Heavy-Duty
- Steel

9035 Solon Road, Houston, Texas 77064, USA

Light-Duty

- Guarding drill pipe against dirt, moisture, corrosion, and minimal impact
- Ideal for short-term storage and in-yard transportation
- Light weight plastic
- Available in both open and closed-end options
- For use with API threads

Extra Heavy-Duty

- Guarding your drill pipe against dirt, moisture, corrosion, and substantial impact protection
- Ideal for long-term storage and rugged flatbed transportation
- Extra heavy-duty plastic construction for maximum thread protection
- Reduced freight expenses over heavier composite style
- For use with API and Premium threads
- CNC precision cut

Steel

- Guarding your drill pipe against the most extreme weather conditions
- Uncompromising heavy-duty protection
- Extra-heavy steel construction
- For use with API and Premium threads
- CNC precision cut

All Guardian styles are offered for applications 2 $\frac{3}{8}$ in. – 8 $\frac{5}{8}$ in.
